Subject: SOT Abstract Acceptance-Poster Presentation

To: Kathleen Newhouse
From: Peter L. Goering, Scientific Program Committee Chair
Date: December 2, 2014

Congratulations! You are the designated contact person for the abstract listed below, which has been accepted for a poster presentation during the 54th Annual Meeting of the Society of Toxicology, March 22-26, 2015 at the San Diego Convention Center in San Diego, California.

Please note the following important information about your presentation:

Presenters should display posters only on the assigned date and time, which is listed below in this confirmation. A diagram of the poster floor layout will be included in the Final Program. Diagrams of the poster session layouts, both morning and afternoon sessions, will be available in the Annual Meeting event app and on our website. The diagram of each poster session will note the abstract final ID number followed by the poster board number. Your poster board number follows the abstract final ID number below.

ABSTRACT INFORMATION:

Abstract Number/Poster Board number: 211 Poster Board -318

Abstract Title: Carcinogenic Risk from Dermal Exposure to Benzo[a]pyrene

Presenting Author: Kathleen Newhouse

Session Title: Risk Assessment I

Presentation Date & Time: March 23, 2015 from 9:30 AM to 12:30 PM

Presentation Location: CC Exhibit Hall

As the contact person, you are the only person who will receive this notification of abstract acceptance. If you are not the presenter, it is important to provide this information to the person who will present this scientific research. Instructions for preparing a poster presentation can be found on the SOT website at <http://www.toxicology.org/ai/meet/am2015/present.asp>. Please be sure to list any conflict of interest disclosures on your poster.

For the 2015 Annual Meeting, you have the opportunity to present your poster electronically, as well as during

your assigned session time in the Exhibit Hall. Information about uploading an electronic version of your poster will be sent to the poster presenter in February. Electronic posters will be available to view in the Annual Meeting app and mobile website from mid-February until May 11, 2015. **Please note that submitting your poster electronically does not replace presenting a physical poster at your assigned timeslot.**

If circumstances prevent attendance, the presenting author must arrange for the poster to be presented by a substitute. Once in San Diego, if the assigned presenter cannot attend his/her session, the presenter must leave a message in the SOT office at the Convention Center explaining the problem. We want to ensure that all accepted abstracts are presented at the meeting and greatly appreciate your attention to these important details.

Please visit the SOT Annual Meeting website at <http://www.toxicology.org/AI/MEET/AM2015/index.asp> for up-to-date information on the planned featured lectures and special events.

The poster sessions will follow the schedule listed below for the 2015 SOT Annual Meeting:

Monday Morning 9:30 AM to 12:30 PM

Monday–Wednesday Afternoon 1:00 PM to 4:30 PM

Tuesday and Wednesday Morning 9:00 AM to 12:30 PM

Thursday Morning 8:30 AM to 12:00 Noon

If you have questions, please contact April Brewer (april@toxicology.org) at SOT Headquarters. We look forward to seeing you in San Diego, CA!
